NOTE:

### Guidelines Adopted for the Allocation of Seats in PG Courses

1. The Admission List has been generated on the basis of Rank/Merit and Preference of the College as given by the candidate in the Registration Form.
2. A candidate's name will appear in a category in which he/she will get his/her best preference of a college.
3. A candidate's name will ONLY appear in the Merit or Entrance mode depending upon his/her best preference of a college.
4. Centre allocation in Faculty of Law is likely to be made after the admissions are completed in Third Admissions list.
5. The candidates of PwD Category will pay fee prescribed in their category for their course irrespective of the category in which they are admitted,

If a category candidate is getting the same preference in UR as in his/her category and candidate is fulfilling the minimum eligibility of UR then the Candidate's name will be considered in UR.

If a category candidate is getting better preference in their respective category than the UR, then candidate's name will be considered in his/ her respective category only.
