Advertisement for the post of JRF in a DST Sponsored Project

Applications invited for JRF to work in the research project titled: **“Development of magnetron source for plasma assisted growth of metal oxide thin films for sensor applications”** in the DST sponsored project. Interested candidates may please send their biodata along with the copies of the mark sheets, degree certificates, contact information and other testimonials to Dr. Vinay Gupta, Department of Physics and Astrophysics, University of Delhi, Delhi - 110007, by 9 February 2009.

Candidates who have qualified M.Sc. Physics examination with at least 55% marks in aggregate may apply. Candidates having experience in thin film processing techniques or material characterization will be given the preference. The project is for a period of three years and the selected candidate will be paid a monthly salary of Rs. 12,000/- + 30% HRA per month for first two years and Rr. 14,000/- + 30% HRA per month for the third year.

The short-listed candidates will be called for an interview at the Department of Physics and Astrophysics, University of Delhi, Delhi 110007. The position is purely on temporary basis. No TA/DA shall be given to the candidates appearing for the interview.

Dr. Vinay Gupta
Principal Investigator
DST Project
