Advertisement for the post of JRF in a DST Sponsored Project

Applications are invited for the post of “Junior Research Fellow (JRF)” in the project entitled : “Exploring the dynamics of time-delay coupling in nonlinear systems” (Ref. No.: SR/S2/HEP/0027/2007) DST Government of India, Delhi for **TWO** years.

Candidates with M.Sc. degree in Physics would be considered for selection. Preference would be given to the candidates having working experience in the field of time-delay nonlinear systems.

The stipend of the Fellowship is Rs. 12,000.00+HRA p.m. as per the DST norms.

Interested candidates may apply with their

1. BIO-DATA
2. Statement of past research experience on time-delay systems
3. Other relevant documents (mark sheets, testimonials, etc.).

Please send these documents to

Dr. Awadhesh Prasad (PI)
Department of Physics & Astrophysics,
University of Delhi, Delhi – 110007.

PS: (I) Please don't send any type of recommendation letters.
(ii) Shortlisted candidates will be called for the interview.
No TA/DA will be provided.

Last date for application is June 9, 2009
