

DEPARTMENT OF MICROBIOLOGY

University of Delhi South Campus

Benito Juarez Road, New Delhi-110021

Applications are invited with a copy of bio-data for the following positions in CSIR, UGC and University funded projects. Apply by 15th February 2010 at ranigupta153@gmail.com. Proposed date of interview will be in last week of February. Communication in this respect will be made by email only.

1. **CSIR project** entitled “Biochemical and molecular characterization of an enantioselective lipase from *Trichosporon asahii* MSR 54”
Junior Research Fellow (One) - Rs. 12000/- + HRA
Minimum qualification: M.Sc. Microbiology/Life Sciences/ Biotechnology with at least 55% marks and should have qualified NET-LS/JRF.
2. **University funded project** entitled “ Subtilisin – gamma glutamyl transpeptidase, a novel biocatalytic enzyme complex for efficient unguinal drug delivery: Expression and protein-protein interaction”
Project Fellow (One) – Rs. 8000/- consolidated
Minimum qualification: M.Sc. Microbiology/Life Sciences/ Biotechnology with at least 55% marks.
3. **University Grants Commission project** entitled “Characterization of ketoreductase from yeasts and application in production of S-phenylethanol”
Project Fellow (One) – Rs. 8000/- consolidated
Minimum qualification: M.Sc. Microbiology/Life Sciences/ Biotechnology with at least 55% marks.

Prior experience in fermentation and recombinant DNA technology is desirable.

Prof. Rani Gupta
Principal Investigation
