

“Swachhata Pakhwada” was observed in the College from 1 September 2018 – 15 September 2018. The College has actively participated in cleanliness drives, lectures, talks, plantation drives, etc.

With respect to “Swachhata Pakhwada”, the College has organized the following events in the College:

- Cleanliness Drive: The students and staff of the College has participated in cleanliness drives. As part of which they have cleaned the library, re-arranged the books after cleaning them, cleaned terraces, rain water pipes, catchment areas, lawns, removal of malba and the neighboring areas as well.
- Plantation Drive: The students participated in a plantation drive and planted more than thirty trees in the College campus.
- Lecture: The College organized various lectures:
 - i) A talk on “Nature Inhabitations” by Ravi Aggarwal, Environmentalist.
 - ii) Public Lecture on “The Right to Equality and Forest Rights Act” by Ms. Shomona Khanna, an eminent Lawyer.
 - iii) Lecture on “Costing the Earth? Tourism and The Coastal Environment: Lessons from South-East Asia”, by Dr. Mark Hampton, University of Kent.

The College encourages its students to participate in such activities on regular basis and has been associated with such drives not only within the College campus but also with the neighboring areas.
