**Advertisement**

Applications are invited for the “Senior Research Fellow (SRF)” for short duration to work in CSIR sponsored project “**The attenuating ability of ionic liquids against the thermal, chemical and cold-induced unfolding of proteins**”.

**Eligibility Qualifications:** The minimum qualifications for Senior Research Fellow are: (i) M.Sc in Chemistry or equivalent degree, and at least two years of post-M.Sc, research experience, as evidenced from published papers in standard refereed journals.

The upper age limit for SRF shall be 32 years respectively as on the day on which the application is made. A small relaxation in age limit may be considered, in the case of applicants who are suitably qualified and experienced, on the recommendations of the selection committee. The upper age limit is relaxable up to 5 years in the case of candidates belonging to scheduled castes/tribes/OBC, women and physically handicapped candidates.

Stipend: The stipend payable to SRF working in CSIR research schemes is as Rs. 35,000/-

In addition to stipend, the fellow/associate will be entitled to HRA, as per rules of the Host Institution, provided he/she has not been given hostel accommodation (stipend paid/payable will be treated as pay for the purpose of HRA)

Interested Candidates may send their CV along with one reference letter to **Dr. P. Venkatesu** on or before February 17, 2020. The suitable candidate will be called for the interview.
