PROJECT VACANCY UNDER SERB-DST RESEARCH PROJECT

Application on plain paper are invited from eligible candidates for (one) post of JRF in a Science and Engineering Research Board (SERB), Department of Science and Technology (DST), Govt. of India sponsored research project.

Title of the Project: *"Quantifying the total ecosystem level carbon sequestration potential of different forest ecosystems along an elevational gradient in Uttarakhand, Western Himalaya in different climate scenarios"*.

Eligibility: Candidates with M.Sc. in Botany/Life Sciences/Environmental Sciences and other allied subjects with a minimum 55% marks and having NET/GATE qualifications as required by SERB can apply. Candidates clearing their Master's degree not earlier than 2016 would be given preference. Candidates having experience in conducting ecological experiments and willing to work in various terrains of Uttarakhand would be given preference. The study would involve extensive field visits and stay. The upper age limit is 35 years.

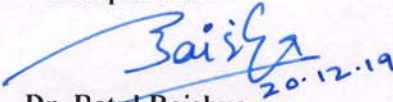

Duration of Project: 1 year.

Fellowship: As per revised DST norms for JRF/SRF emoluments.

1. Interested candidates may send scanned copies of their application with complete bio-data and self-attested copies of relevant documents to email id dr_ratul.baishya@gmail.com
2. Candidates may also refer to the advertisement published in the national daily, "The Statesman" on 20.12.2019 and applications must reach the undersigned within 21 days of advertisement.
3. Short-listed candidates would be called for interview in the Department of Botany, University of Delhi. Email and contact details should invariably be mentioned by the applicants.
4. Selected candidate will be communicated through email/calls only.
5. All original certificates should be brought for verification at the time of interview.
6. No TA/DA will be provided to candidates for attending the interview.

NOTE: This is a project vacancy for a period of 1 year and not an employment by the University of Delhi. The vacancy is co-terminus with the project.
