Department of Botany: Advertisement for the post of two JRF positions

Applications on plain paper/or by email are invited from eligible candidates for post of JRF for the following two projects.

1. DBT funded research project [BT/PR20657/BPA/118/206/2016], PI: Dr. Yashwanti Mudgil, project start date 19th February 2018.

Title of the Project: Root Development Related Signaling Networks: Role of At N-myc Downregulated Like Proteins and Interacting Partners"

2. SERB-funded research project [EMR/2017/003621], PI: Dr. Girish Mishra, project start date 19th March 2019.

Title of the project: Phosphatidic acid-Protein interactions: molecular mechanism and role during abiotic stress in Arabidopsis.

Eligibility: Candidates with M.Sc. degree in Botany/Life Sciences and other allied subjects with minimum 55% marks and having NET qualifications. Candidate having Master's degree after 2015 would be given preference. Candidate with prior experience in plant molecular biology, biochemistry and cell biology techniques is desirable.

Duration of Project: 3 years, from date of starting of project as mentioned above.

Fellowship: As per Funding agency/DU rules.

How to apply: Interested Candidate can send their application with detailed CV within 21 days of publication of this advertisement on the website of the University of Delhi to the undersigned by post or email to respective principal investigator. Candidates may also refer to the advertisement published in the national daily, "The Statesman" on the 24th October, 2019.

Short-listed candidates would be called for interview in the Department of Botany, University of Delhi. All original certificates should be brought for verification at the time of interview.

Note:

1. No TA/DA will be provided to candidates for attending the interview.
2. This is a project vacancy and not an employment by the University of Delhi.
