A link to the society is available at the Department website. The alumni association will be as good as its members and all of us who have been associated (students/faculty and other stakeholders) will have to contribute to make this effort count.

The first step is to register in large numbers.

Most of the successful alumni associations are largely dependent on financial and moral support from illustrious alumni. We exhort all of you to join and contribute in a big way to make it a success.

The present office bearers of the Alumni association are following;

Dr. Anil Joshi	-	President	(joanil@rediffmail.com)
Professor N. C. Pant	-	Vice President	(pantnc@gmail.com)
