Respected Sir,

As you are aware that Rules 299 (xi) of GFR 2017 requires autonomous organizations to sign an MOU with the administrative Ministry spelling out clearly performance parameters, output targets in terms of details of programmes of work and qualitative improvement in output, along with commensurate input requirements. In other words, non signing of the MoU has bearing on release of budgetary grants to the concerned autonomous body.

Further, while sending the minutes of the meeting to discuss the matter related to University of Delhi held under the Chairmanship of Secretary (HE) on 29.03.2019 at Shastri Bhawan relating to signing of Tri-partite MoU, the following was pointed out.

"while all other Central Universities have signed the Tripartite MoU which is mandatory as per Rule 229 (xi) of GFRs 2017, DU has not done so till date. Secretary (HE) mentioned that as per the provisions of the GFRs, funds to centrally funded institutions are to be released only if the said MoU has been signed. Hence the action of MHRD/UGC in releasing the grants to DU without having signed the MoU is not in order and may be objected to by the audit authorities. He requested the VC to get the MoU prepared and signed without any delay. VC assured that he will place the matter before the AC and EC of the University after the general elections are over thereafter submit the MoU to MHRD."

In view of the above position, I shall be grateful if you could kindly submit the MoU without any further delay but not later than 30th June, 2019 failing which no further grant could be released from July, 2019 onwards.

With kind regards,

Yours sincerely,

(Jitendra K. Tripathi)

Prof. Yogesh Kumar Tyagi
