Sealed quotations are invited by the Principal, Shivaji College from reputed and experienced companies/ firms for **Placement of New Freshly Grown best quality loose grass selection no. 1** over the required surface areas (approx. 18000 Sq ft) in the front lawns of the College. The detail specifications are as under:-

S No.	Description of Work	Rate per sq ft
a)	<p>Selection and planting of grass. SELECTION 1: Type of grass is required and the planting material should be free from weeds. Placement of New Freshly Grown best quality loose grass selection no. 1 over the required surface areas (approx. 18000 Sq ft). Proper preparation of ground required. It should be dug up to an appropriate depth of approx. 6 inch and the entire soil should be made free of weeds, foreign materials like stones, other materials etc. Mannuring and consolidation of surface have to be done properly. (for this purpose Weedicides, FYM and Soil and manpower will be given by the college) For consolidation of soil the ground should be heavily watered. The new growing media to be enriched with essential nutrients for growth of the grass and plants surrounding it . Leveling and drainage of the ground after setting of the soil:- the surface should be leveled properly by filling depressions and repeated rolling. A gradual slope from the centre to the edges should be maintained to facilitate the drainage of excess water during the heavy rains and irrigation. Proper level of the lawns to be raised after carpeting for gap filling and to avoid water logging (for this purpose sand will be supplied by the college.)</p>
