

**UNIVERSITY OF DELHI  
DEPARTMENT OF ANTHROPOLOGY**

**Ref: DU/Anth/Equip**

**09.12.2015**

**CALL FOR QUOTATION**

Department of Anthropology invites sealed tender offers from eligible manufacturers/ authorized distributors/reseller for the supply of equipments to be used in the Department of Anthropology, University of Delhi, Delhi under XII plan sanctioned to the Department. The vendors intending to bid may download the same from university website and submit their bid/tender by **Thursday, the 30<sup>th</sup> December, 2015 at 5 pm to:**

Head  
Department of Anthropology  
University of Delhi  
Delhi-110007

**TENDER SPECIFICATIONS:**

Sealed tenders are invited containing two types of bid i.e. Technical bid and financial bid.

Technical bid should consist of all technical details including manufacture, model specifications, country of origin along with term and condition and delivery schedule. It should be in a sealed envelope with clear marking on the left hand side as “TECHNICAL BID”.

Financial bid must contain item wise price separately for all items mentioned in technical quotation, terms and condition, mode of payment and delivery schedule. Financial bid may also include custom duty and clearance charges. It should be in a sealed envelope with clear marking on the left hand side as “FINANCIAL BID”. Both of these sealed “TECHNICAL BID” and “FINANCIAL BID” must be put in bigger envelope, which should also be sealed and super scribed. Separate envelopes must be used for each item mentioning its name. A vendor may submit tender for all or any number of items given below. Non-compliance of the above may result in rejection of the tender.

Vendors should submit all the required documents on their letter head. No separate Performa will be provided to them.

**Kindly submit separate tenders along with brochure for each equipment.**

## **TERMS AND CONDITIONS FOR TENDER:**

The vendor should

- (i) Have reputed background and should be established in business for at least five years.
- (ii) Have executed at least three projects in last five years.
- (iii) Submit,
  - (a) three years income tax return
  - (b) Complete user list with name, address and telephone number.
  - (c) Manufacturer authorization form.
  - (d) Company profile for at least five years.
  - (e) Certificate that company is not blacklisted by any government organization.
  - (f) Details of support and service centres.
  - (g) Warranty compliance statement.

### **1. Equipment: Cubic craniophore**

**Quantity : 05**

#### **Detail of Specifications of Equipment - Cubic craniophore**

Cubic craniophore, precise, 28-cm square, which would add, in one of the lower corners, one arm carrying a clamping jaw double ball, GPM Swiss made

The horizontal tracing needle, to orient the skull in three planes using certain cranial landmarks

The diagraph recording, to make a partial or complete study of the contours of the skull, and to build for measuring the sphenoid angles , prognathism, etc. ...

Net weight: 1,325 kg

### **2. Equipment: Mandibulometer**

**Quantity : 05**

#### **Detail of Specifications of Equipment - Mandibulometer**

It is a device for any precision study of the mandible. GPM Swiss made

Horizontal and vertical scales, rapporteur to measure the angle of the two branches

Net weight: 1,200 kg

### **3. Equipment: Osteometric board**

**Quantity : 05**

#### **Detail of Specifications of Equipment - Osteometric board**

Table of: 60 cm length x 25 cm width.

Made of PVC. To measure the length and height of a bone, and to determine angles and curves.

The horizontal side, covered with graph paper, protected by glass.

A removable steel circle allows to measure angles.

According to the required measure, or dimensions of the bone, this circle can be placed at three different locations on the table. GPM Swiss made

Net weight: 2,900 kg

### **4. Equipment: Palatometer**

**Quantity : 05**

#### **Detail of Specifications of Equipment - Palatometer**

The palatometer to measure the palate. Graduated slide up to 25 mm. GPM Swiss made

Net weight: 0,130 kg

### **5. Equipment: Parallelograph**

**Quantity : 05**

#### **Detail of Specifications of Equipment - Parallelograph**

The parallelograph to measure the angle of joint axes. GPM Swiss made

Net weight: 1.800 kg

### **6. Equipment: Tubular craniophore (Martin type)**

**Quantity : 05**

GPM Swiss made

### **7. Equipment: Diaptograph Rectangular (Martin type)**

**Quantity : 02**

GPM Swiss made

### **8. Equipment: Fingerprint development kit**

**Quantity: 01**

**9. Equipment: Footprint development kit**

**Quantity: 01**

**10. Equipment: Life corder (Physical activity recorder)**

**Quantity: 01**

**NL-2160 Lifecorder PLUS Accelerometer Features:**

- Steps, active, distance (in miles or kilometers), MVPA (active) time, calories, total calories, time of day, activity intensity review graph (METS)
- Made in Japan uniaxial internal sensor mechanism and CPU
- Can be set for imperial (inches) or metric (centimeters) units
- User settings: age, height, weight, gender
- Calculates BMR
- Goal settings: steps per day, active steps per day and MVPA (active) minutes
- Countdown "To Target" & Scrolling Achievement Messages
- 9 Intensity Zones
- Event Marker Key
- Advanced settings: low and high intensity levels, keylock or unlock and memory loop or lock
- 60-day downloadable memory--recalls the last 7 days of data on the activity monitor's display
- Direct USB Link to PC
- Automatically resets daily totals at midnight
- Silent--makes no clicking noise
- Counts steps at slower speeds and on the overweight and obese better than suspended-lever arm pedometers
- Activity monitor dimensions: 2 3/4 x 1 1/2 x 3/4 inches (6.985 x 3.81 x 1.905 cm)
- Activity monitor weight: 1.7 ounces ( 48.19 grams)
- Battery operation; uses a CR2032 battery included
- Battery life: approximately 2 months
- Security strap included

Software:

Lifestyle Coach PAAS is for researchers, wellness coaches, and allied health professionals. It's offers display lock, memory loop or lock, database import/export, and many other powerful features. PAAS Lifestyle Coach is sold separately for \$495. (Windows 2000/XP 32-bit & Windows Vista/7 32/64-bit compatible).

And

**The NL-2200 Lifecorder EX accelerometer**

NL-2200 Lifecorder EX Accelerometer Features:

- 200 Day Downloadable Memory
- 7 Day Memory on Display
- 9 Intensity Zones
- Displays Steps, Kcals and % Goal
- Calculates BMR
- Direct USB Link to PC
- Event Marker Key
- Dimensions: 2 3/4" x 1 1/2" x 3/4"
- Weight: less than 2 ounces
- Battery operation; uses a CR2032 battery included
- Battery life: approximately 6 months
- Security strap included

Software and Computer to store data.
