## Press Release

### Consultative Meeting on Higher Education Commission of India

The University of Delhi is committed to maintain highest standards of academic integrity and to actively engage in the possibilities of improvising existing structures. Considering the vast experience of members of University of Delhi in dealing with a large organization for a long period, the University has developed a multi-tier process of deliberations on the Higher Education Commission of India (HECI) as envisioned in National Education Policy 2020. The entire exercise has been started under the leadership of the Vice Chancellor, Professor P.C. Joshi with active involvement of all stakeholders. Director, Institute of Life long Learning, Prof. Pankaj Arora, has been assigned the role of coordinator to connect with the academic, research and administrative units of the university. A core team has been constituted to collect the observations, concerns and suggestions from all the stakeholders. All the colleges of Delhi University were divided into five clusters and one college within each cluster was given responsibility to hold meetings with other colleges in the respective clusters. Similarly Deans and Directors of all the Faculty and Centers in the University were also requested to hold meetings with faculty members in their respective Departments/Centers. All Deans holding administrative positions such as admissions/examinations and others were also requested to give their feedbacks and suggestions. Office of Registrar of the University collected observations and suggestions from various Joint registrars associated with administrative subunits of the University.

All the Cluster Coordinators/Deans/Directors and administrative heads have conducted series of meetings and have shared their observations/concerns and suggestions. In-person meeting has been concluded today, April 01, 2021 for further discussions, deliberations and reflections. The meeting was chaired by the Vice Chancellor. Principals/Faculty Deans/Administrative Deans and Registrar/Joint Registrars participated in the meeting and welcomed the initiative of University of Delhi to involve stakeholders in the consultative process. In a true democratic and transparent manner, every stakeholder gave the suggestions that were collated and presented before the house for further deliberations/discussions. The outcomes of the meeting will be shared for extensive discussion in a full day meeting on April 6, 2021. All sincere have been made to make the process inclusive, fair and objective.
