## **PRESS RELEASE**

The University of Delhi is near to the successful completion of First Round of Under-graduate Merit-based admissions. In the first cut-off list, 60,904 candidates have applied to various colleges. Out of these, 46,054 were from the CBSE board and the rest from all other boards across the country. By the end of October 7<sup>th</sup> 2021; 31172 candidates from CBSE board, 2365 from Kerala Board of Higher Secondary Education, 1540 from Board of School Education Haryana, 1429 from Council for the Indian School Certificate Examinations and 1301 from Board of Secondary Education Rajasthan in addition to other State Boards have successfully secured their admissions.

Being a Central University, the University of Delhi equally and uniformly values the academic credentials of all the candidates irrespective of their States and School Boards. This year too, equal opportunity was maintained by accepting applications based on the merit only. The University of Delhi strongly refutes and condemns the falsity of news which is being circulated regarding favouring candidates from a few boards. Being a prestigious Central University with a long legacy of quality teaching and research, candidates across the country aspire to study in our colleges / departments / centres. It is our utmost responsibility to maintain justice and equity to all meritorious candidates coming not only from Indian States but also from abroad.
