Guidelines for admission against Special Cut-Off

- The Special Cut-off is for those candidates who were eligible but could not / did not take admission in the earlier three Cut-offs for whatsoever reasons.
- Declaration of Special Cut-offs is subject to availability of vacant seats in Programme + College.
- The Special Cut-off is the last declared Cut-off of the respective Program + College. For example, if for College A, the First Cut-off for B.Sc.(H) Mathematics for a specific Category was 98% and the college did not declare Second and Third Cut-off for B.Sc.(H) Mathematics in that Category, but later seats got vacant, then Special Cut-off for B.Sc.(H) Mathematics for the specific Category for College A will be 98%.
- Applicants who have secured admission in any of the earlier three cut-off lists in any Programme / College of the University of Delhi will not be eligible to participate in the Special Cut-Off, that is, **movement of applicants will not be allowed**. Hence, cancellation option for candidates will be suspended during the Special Cut-off.
- Candidates can apply to a single Program + College by ensuring they meet the required eligibility condition and declared Special Cut-off.
- Merely applying under the Special Cut-Off does not guarantee an admission to the Candidate.
- No grievances will be entertained in case a Candidate fails to apply or pay the fees (if approved) within the stipulated time period given in the schedule.
