## PRESS RELEASE

The Foundation Stones of two “**STUDENT FACILITATION CENTRES**” were laid on 23.09.2021 by Prof. P.C. Joshi acting Vice Chancellor of the University of Delhi at University lands at Roshanpura Village (Najafgarh) and Bawana in presence of Prof. Balaram Pani, Dean of Colleges, Prof. Suman Kundu, Director, South Delhi Campus, Dr. Vikas Gupta, Registrar, Shri Girish Ranjan, Finance Officer and Shri Anupam Srivastava, Chief Engineer.

The Facilitation Centres will be completed by this year-end having built-up area of 120 sqm each. These centres will start functioning from January 2022 and University is also planning to open college and academic Departments at these University Lands in future. These centres will facilitate students of rural and far off areas by providing them documents like marksheets, migration and other documents at their nearby locations as well as inquiry counters to guide them related to University matters. This will save time and energy of students by avoiding travel to North and South Campus of University. This is the part of “**University at your door**” initiative of University of Delhi.
